

NEW PHONE TREE SYSTEM

Dear Lakewood Family,

In our efforts to help communicate better with our members regarding updates, events, and general announcements here at Lakewood Baptist Church, we have updated our Call System. This will allow our members to text in to receive announcements from different ministries within our church. We will fully switch over to the new system by the end of January 2021 so please make sure to join this new list. If you have any issues, please see the staff or a member of our welcome committee.

To join these groups, please text the following text codes to the phone number listed below. Make sure that you type the word "Join" to ensure you are properly added to each group.
